Ex. 6 Personal Privacy (PP) please send me the stats for the backlog cases as you normally do every week.

[redacted] please find out about the Hexion cases. We have to provide an update to Lynn today. Send me few bullet points by COB today. I will incorporate in briefing package.

I will also include information on the P-15 case (MPPD modeling). She asked for an update, I sent email but want to cover bases that she knows what's going on.

Ex. 6 Personal Privacy (PP) you mentioned about a hair on fire case that you will be talking today at noon. Do we need to say something about that case?
